

With pleasure we hereby invite to the sixth
THE GREAT SCANIAN 3D-HUNT 8-9 August 2009

84 3D animals during the 2 days, starting Saturday at 09:30

Like last year the 3D-Hunt will take place on the small RAFTARP farm in the natural roving district of SNOGEHOLM in the very south of Sweden.

Snogeholm is situated about 65 km east of Malmö, 10 km south of Sjöbo and 20 km north of Ystad.

The 3D-Hunt is open for INSTINCTIVE archers, i.e. with bows WITHOUT sights, ONE anchorpoint and NO stringwalking.

You need 3 numbered arrows for the competition.

CLASS TRADITIONAL "Old fashion models of bows WITHOUT arrowshelf in NATURAL material"
Wooden arrows, NO plasticnocks, fieldpoints OK.

CLASS INSTINCTIVE "Modern models" of fibre glass recurv and longbows and optional arrows.

MEN / WOMEN / JUNIOR for each of the classes.

Entry fee : SENIORS 250:- SKR. JUNIORS (up to 17 years) 150:- SKR.

Location : We have a great deal of space for tents, caravans or housetrailer on the ground at the campsite and shootingrange.

On the Raftarp farm we can use the water, the toilets and the showers.

We have a limited number of sleepingplaces, wooden-bunks, in the "stable" (30.- SKR/pers/day)

Bring your own food. Grillplaces and firewood will be found.

On Friday and Saturday p.m./evening we will arrange some extra archerycompetitions with a little bit different target objects

Bring some flu-flu and blunt arrows if you have.

Note already now in your agenda and reserve time for you and your archeryfriends to attend
The Great Scanian 3D-Hunt in August 2009

Preferably arrive on Friday, for your installation, for registration, for training and pleasant company with old and new archeryfriends.

Do you have bows, archerymaterial or equipment for sale or exchange, or do you have anything to show and inform about ?

Bring your things ! There are many who will be interested.

Last day for entries : 1 August 2009
